1st Ratby Swallows District Sports Experience

The Annual District Sports Day event for Leicester West Cubs Packs was held this year on the 14th June. Whilst the organisers tried desperately to get gates unlocked to the Glenfield County Primary School sports field, more and more packs arrived and we all stood in the pouring rain together. Most of my Cubs relieved me of my umbrella and all crouched underneath it to keep dry, ah well, just typical of the unselfishness of Akelas everywhere. We were very pleased to see so many Mums and Dads there to support their child and to cheer on the pack, despite the weather. As the event got under way, the rain eased and we got ourselves some good weather for the races. Our Team got off to a brilliant start, winning 3 heats out of the first 5 events. All the Swallow Cubs did so well in the heats, we had some one in nearly every final. At the end of the afternoon all the Swallow Team had won certificates, some more than one, and the Swallow team finished overall out of 11. I'm sure all the parents would agree, the Swallows made a fantastic effort, well done everyone.

Summer Camp Report '97

This years Summer Cub Camp was held at Oaks in Charnwood in June on probably the wettest weekend in 1997 and although many of the items on the programme were disrupted because of bad weather, we adapted the programme to continue indoors. To the credit of all the Cubs and my fellow leaders, spirits were high and we all enjoyed the weekend. Lets hope for better weather next year.

COME IN AND SEE FOR YOURSELF

In the last few months two brass bands in the Ratby area have disbanded. The Ratby Co-operative Band however has not only had one of its most successful seasons ever but a significant expansion programme has been announced.

The present organisation consists of about one hundred musicians or would-be musicians in learners' classes, a Training band, a Junior band and a Senior band. The Senior band will be promoted to the National Championship section (the brass band equivalent to the Premiership) on January 1st and it is felt that youngsters progressing through the organisation will find the jump of Junior band to Championship band a little daunting. It has been decided that an Intermediate band will be formed. This will provide a challenge for enthusiastic youngsters and an opportunity for adults who perhaps do not possess the requisite skills for a championship band. It is hoped that this new band will have its own programme and will participate in contests in its own right.

The Senior band's season began in October 1996 with an excellent second place at the Pontins Championships held at Prestatyn and open to bands from all over the British Isles.

Ratby Co-operative Band

Even greater success was to follow. In March the band travelled to Nottingham with twenty other First Section bands for the Midland Area Championships, an eliminating contest for the National Titles. Ratby was awarded first prize! This resulted in an invitation to participate in the National Finals at the Symphony Hall, Birmingham in September, the title - Midland Area First Section Champions and promotion to the Championship Section next year.

To bring the contest season to a grand climax the band travelled to Holland in July to take part in the World Music Contest at Kerkrade. This contest, held every four years is for bands from all over the world and takes place over about four weeks. Ratby Co-operative has participated five times previously and had a collection of five Gold Medals. This year they faced a tough test. The Test Piece selected by the contest authorities was a difficult ultra-modern piece and the bands own choice was a very difficult original test piece from the thirties. The band had to play one piece following the other without a break. At the end of the afternoon it was announced that the Band had been awarded a Gold Medal with distinction obtaining higher marks than the band had scored before. Even better was to follow, as the band was awarded a trophy for the highest marks of the day and since have learned that they were winners of their class.

The Junior band has during the year been busy with concerts, garden parties and other events. The whole organisation appreciates the support of people in the Ratby area and hopes for opportunities to play an active part in local activities.

If you or anyone you know of would be interested in joining the bands either as player or learner please ring Geoff Newman on 0116 238 6954.

COMMUNITY ORCHARDS An Evening Presentation

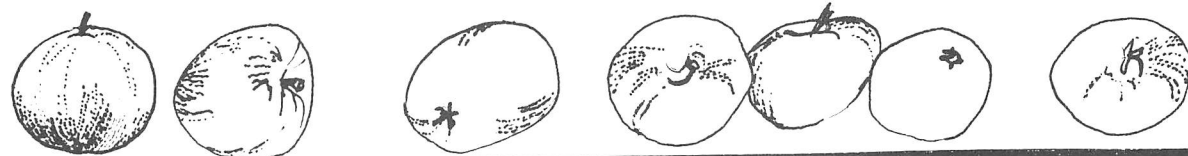

Have you ever longed for the taste of a 'real' English apple? Do you remember when there were many orchards within a short distance of most people, each producing a variety of tastes far superior to anything found in the shops today? Perhaps you are lucky enough to have your own stock of apple trees producing crops with a taste of such excellence you think it should be available to more people.

If you have answered 'Yes' to any of the above then read on.

As part of its Urban Fringe Countryside Project Leicester County Council and The National Forest Company together with Ratby Parish Council are hosting a presentation on Community Orchards on Monday, 20th October 1997 in the Library, Main Street, Ratby at 7.00 p.m.

Paul Hand from Bees and Trees of Shropshire will give an interactive talk on the history of orchards, the cultural and conservation value of orchards and past, present and future opportunities for local communities to develop orchards in their Parish. There will be an opportunity to taste several different varieties of apples that are not normally found in the supermarkets. In other areas where Paul has given these talks there has been a high level of interest in developing orchards and the presentations themselves have been very enjoyable and great fun.

If you have an interest in orchards and in particular if you like the idea of developing one in Ratby then come along to what promises to be a very informative and entertaining evening.

VANDALISM IN RATBY

Vandalism is costing Ratby residents in excess of £3,000 a year. Crime in our village is depriving everyone, from young toddlers to the elderly, of the enjoyment of facilities provided by residents through their Council Tax.

The playgrounds in Ferndale Drive and Burroughs Road have, in particular, suffered at the hands of vandals during the Summer months: swings have been damaged to such a degree as to make them dangerous to use; a slide has been left with broken and jagged edges - lethal if a child fell against it; toddler playing equipment has been damaged as a result of misuse by people it was not designed for. A lot of the damage is carried out repeatedly - once one item is repaired or replaced another is targeted by the vandals. The manufacturers of the equipment have been attending the play areas sometimes on a weekly basis to survey and repair damage.

The majority of maintenance man-hours is taken with clearing up after vandals - sweeping glass from playgrounds, removing paint which has been daubed on play equipment and seating and carrying out repairs where possible.

In addition to the damaged referred to above, during the past few months three bench seats have been severely damaged by vandals - one of them is beyond repair and will have to be replaced. A picnic bench roof has been removed and destroyed and another picnic bench has been loosened from its fixings. Fencing has been damaged. Mature trees have had their bark stripped thus ensuring that they will die.

It is difficult to imagine the type of person that gets any benefit from such behaviour - most people see it as senseless. We can all play a part in **preventing vandalism** by being extra vigilant and reporting incidents to the Police - tel. Leicester 222 2222. There are many worthy causes in Ratby which could benefit from an extra £3,000.

1st RATBY BROWNIES

1st Ratby Brownies have had a busy and happy year. We have enrolled a number of girls into our pack - some from Rainbows and some non-Rainbows. And have been others pass through their three years and move on to Guides or other things.

We were very pleased to have Pam Jewitt join us as Snowy Owl last September, after moving on from being a Rainbow leader. Pam has helped a great deal in the planning, organising and running of meetings, as has Julie Tomkins (Little Owl) who has stayed with us after coming to help out temporarily. Rosie Glenister (Tawny Owl) has been unable to attend many meetings this year for a variety of reasons, and due to work commitments, has decided to step down for a year. Thanks for all your hard work Rosie, during your stay.

On the 1st August at 1pm, nineteen Brownies and four leaders set off for Kettering for our Disney themed Pack Holiday. Everybody was excited as we travelled by coach to the Woodcroft Scout site. A lot of the girls were only seven or eight years old and it was their 1st Pack Holiday. After the initial unpacking and setting up, we were ready to start the fun. We made name badges, bed nameplates, Disney cookies, sweets in Dalmatian boxes, Pocahontas jewellery and headgear, Snow White's cottage air fresheners, under-the-sea paperweights, peg doll princesses and Disney collages. The girls worked well and behaved responsibly within their three groups - Dalmatians, Lion Kings and Toy Stories, supervised by Pocahontas, Ariel, Snow White and Purdy. They prepared and cooked meals, served at the tables, and did the housework, as well as enjoying themselves. And the majority of them behaved very well throughout the five days. Our treat while we were away was a day at Wicksteed Park (which was just around the corner) and I think everybody enjoyed themselves on the rides or watching others. The fact that the weather was good for the whole time helped to make it a good holiday. I love Pack Holidays, and find the pleasure and happiness that is shown by girls and leaders makes all the hard work and preparation worthwhile. Again, I couldn't have done this without Pam and Julie's help. Thank you all - also thank you for the lovely present you bought me.

*The Brownies

the Woodcroft
Scout site*

Over the year, the Brownies have been progressing through the three stages of their journey work, gained interest badges e.g. Book Lover, Pet Lover, Swimmer, Safety in the Home. We have made numerous craft items, including cassette boxes, pasta picture frames, cooking, Mother and Father's day gifts. We had two guest speakers - a lady from Leicester Hedgehog Rescue Society brought hedgehogs for us to see and gave a very interesting and informative talk on their work. And Angie Saunt came and wore us all out with a very enjoyable keep-fit evening. We finished for the Summer holiday by having a super fun night and supper at the Bull's Head skittle Alley.

I'm sure I speak for my assistants as well as myself when I say that our work with the Brownies is mostly pleasurable and rewarding and good fun when appreciated by Brownies and parents. It is time consuming and entirely voluntary, but the proud, smiling faces in our pack, make it worthwhile. We recently received a very nice thank you letter from the parents of a leaving Brownie - thanking us Owls for all we had done. This again, is a very gratifying experience. (We've saved it to read again, to keep us going when things aren't so easy or pleasing).

Finally, we were very pleased to be invited to the wedding service of Denise (2nd Ratby's Brown Owl) and Nick on the 9th August at St Phillip and St James. Three leaders were there with four Brownies (where were the other twenty?) to wish them every happiness, throw confetti everywhere and get in on the photograph with Denise's Brownies. A lovely finish to the year.

Hopefully we will be rested after the holidays and ready to go back to Brownies in September - new Brownies, new ideas and more fun filled Brownie Guiding.

Ratby Village Society

Summer now seems far distant but for those members of the RVS who took part in the July outing to Elvaston Castle warm memories remain of that sunny afternoon.

In truth it is not really a castle but a crenellated country house, of stony forbidding appearance, completed in 1830 incorporating a bay of the previous 1633 manor. The house, once the seat of the Earls of Harrington, may look grim but the grounds with a lake are superb and were designated a Country Park in 1968. It has a particular connection with Ratby as those who affectionately remember Charlie Garratt (or who have read his fascinating life story 'Charles Tale') will know very well. Charles came to live in Ratby in 1947 and for over four decades must have been one of its best loved characters. In his youth he had worked at Elvaston Castle for two years, carrying the rank of third footman, before joining the army in 1914.

The walled country garden and farm buildings were visited following which the party selected a beautiful spot to sit on the grass and enjoy their picnics before joining the hurly burly of the weekend traffic maelstrom on the way home.

Traffic of a more leisurely, but somewhat more exciting, times was the subject of a talk on 'The Coaching Days of England' given by Mr Kenneth Day at the August meeting. Those were the days when, literally, it took days to travel anywhere but the shortest of distances. The story started with packhorses and followed developments in the conveyance of passengers, mail and merchandise, through to the stage coach era. It was well illustrated with photographs depicting some tangible reminders such as coaching inns, tollgates and pub signs, as well as reproductions of pictures showing the romance - and rigours - of horse drawn travel in past centuries.

One cannot imagine that today's motorway scenes will look as glamorous on Christmas cards two hundred years hence!

Ratby Methodist Church Development Scheme

If you've been keeping an eye on our "thermometer", you will have noticed that we are well on the way to our target of £90,000. We have now actually reached £91,000 but, unfortunately, the goal posts have been moved! There have been difficulties along the way and our new target is £140,000. Although somewhat daunting, we are confident that we will reach our goal and look forward to sometime next year when the building work is complete and we have a "new" church, not only for our own use but to serve the people of Ratby. We thank you for your continued support and offer you a warm welcome at any of our forthcoming events.

Sunday 5th October - Sponsored Walk

The circular walk will commence at 2.00 pm from the Chapel and will be approximately four miles. Tea will be provided on return in the Chapel. For further details and sponsor forms or if you would actually like to sponsor a walker - please phone 2386795.
