SCOUTING FOR ANSWERS! QUIZ NIGHT CHALLENGE

There was a good turn out for the Quiz evening in aid of Scout funds. The event was held in the Village Hall on Saturday 5th March. Judy and Dennis Brookes organised and hosted the evening, and set us some challenging questions!

Teams puzzled over an intriguing set of wide ranging questions, including 'Guess the Celebrity', and Film picture challenges, which featured unusual shots of familiar figures.

The Music Quiz had something for all ages, with 'intros' from Elvis to Britney Spears, and great entertainment was provided by the sporting couples who bravely entered the 'Mr and Mrs' Contest. This was one with great style by Helen and Steve, who were members of the overall winning team.

A Ploughman's supper kept our brains going. Congratulations to Judy and Dennis for a great night out on our doorstep!

LETTERS TO THE EDITOR

Editor.

I write about the Wot magazine in the hope that the 'Ratby Diary' will be restored, and that its disappearance from the last issue was only temporary. Like many others in the village, I find this page not only useful in knowing what's going on, but the length of the page shows that the village has a very active social calendar, which is a good indicator to our small businesses, and for their promotion in our magazine.

Thanks for listening,

Mick Morgan
Address supplied.

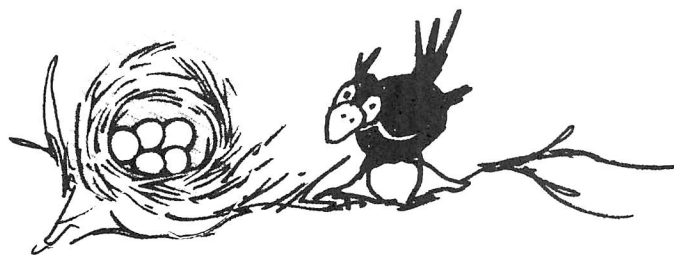

We know people involved in village groups are all busy, but we'd like to see the diary back too! So what about it? At your next meeting why not identify that willing volunteer who'll send us your information?
Editor.

Dear Editor,

I, and a number of my Stamford Street Neighbours wish to nominate the former Johnson's Shop premises for Wot's 'Garden Most Full Of Rubbish Award' May Chuck and Mavis never see it.

'WOT' ABOUT OUR DIARY?

You may have noticed that our last edition did not contain the Village Diary for the year ahead. We decided to give it a rest after five years in its current format. This was due to the fact that it had become quite a task trying to obtain updated information from some sources on a regular basis.

Whilst it would have been good to have our first edition of 2005 containing known events for the year ahead, there seemed little point in publishing such and then struggle to maintain updated information as the year progressed.

However, if we get feedback that the diary is greatly missed and if we can be assured that all participating organisations would co-operate in maintaining the flow of information, we would look at resuming publication.

The diary helps to avoid a clash of dates. The recent Scout Quiz, for example, clashed with a Barn Dance. Special thanks are due to David Hulme for all his hard work in ringing round and producing the Diary for the last 5 years. **Editor.**

Ratby Village Society

The New Year programme commenced with an illustrated talk by Mr Roy Thomas of Glenfield on a trip along the Nile by river boat, stopping off at many sites of historical interest. These included the well known Pyramids and Sphinx at Giza, in addition to others less famous, together with ancient temples uncovered from beneath the sands in the 20th Century.

We were given a wealth of information alongside a plethora of slides, showing through their fascinating wall paintings that the Egyptians were a very advanced civilisation all those thousand years ago.

The Annual General Meeting in February took its traditional course with reports on the past years activities and elections. The officers were all re-elected unopposed: Mr Jack Haywood, Chairman, Mr Horace (Hoz) Gamble, Secretary (for a fifteenth term) and Mrs Betty Hulme, Treasurer. It was the turn of Mrs Joyce Haywood to stand down, and Mrs Alison Emmerson resigned after five years loyal service. Miss Carol Measures and Mrs Ruth Johnson, both of whom being co-opted last spring, stood, successfully for election, and Mr Cyril Hoyle was voted onto the committee.

Membership totalled 52 in 2004. New recruits are always welcome. We do have a lot to offer both in our social programme, and in our input to life in the village.

A splendid buffet supper and convivial netter rounded off the evening.

CHRISTIAN AID WEEK 15th to 21st May

A house to house collection will take place during this week. We need collectors in the village so if you can help please contact 0116 2392357 for further information. Thank you

COMMUNITY ORCHARD

At their last meeting the Ratby Community Orchard group looked ahead and planned some activities for the year.

Following the success of the last Wassail, it was decided to plan for another. As usual this will be held on the Saturday following Epiphany, 7th January 2006.

Visits to October Apple Day activities around the country were discussed.

SUMMER WILDLIFE WATCH

This new event will be held on 17th August, at 7.30 pm. Come and join us down at the Orchard site for pond dipping, a wildlife safari hunting for wild flowers. Bring a torch, because we hope to see some bats after dusk. More news in the next issue of Wot.

New Ratby Library

Work has now started on building Ratby's brand new library. Thank you to everyone who took the time to complete a questionnaire to let us know the sort of services you would like to have in your new library, and when in the week you would like us to open. The data from the questionnaires is now being analysed.

For the duration of the building work a mobile library is situated in the car park of Ratby Sports Club on Station Road. The opening times are Mondays, Wednesdays and Fridays, 10.00am – 12.30pm, 1.00pm – 4.00pm. Books can still be borrowed as before.

Public PCs can be booked and used for free at all of Leicestershire County Council's libraries. Until Ratby's new library is complete in August/September this year, the nearest libraries with PCs are in Kirby Muxloe, Glenfield, Groby, Desford, Markfield and Newbold Verdon.

If you have any comments, suggestions or questions please call in at the mobile library, or e-mail ratbylibrary@leics.gov.uk.

News from St Philip and St James

Here on the hill we've just celebrated Mothering Sunday, and what a super day it was. We spent time thinking about Mary, the mother of Jesus. Our bibles show us that she went through the same experiences that mothers do today. Tough times, but joy, at the birth of her baby; telling her boy off for wandering away from the family (but not being ready for the reply he gave her); advising others that he was to be trusted; finally, the hardest thing of all for a mother – seeing her child die. We had a lot to learn. We remembered all the ladies in church who are mothers, and those who 'mother' children in different ways by giving them flowers as a token of appreciation.

We look forward now to Easter at the end of this month when there will be something for everyone. On Good Friday, 25th March starting at 9.45am, there will be activities for the children at church. In the evening at 7.30pm there is a service, mainly for the adults, with our friends at the Methodist Church. Then on Easter Day the whole family can join together in celebrating in church at 10am, with a 'Songs of Praise' at 6pm. You are invited to join with us at this special time.

FAMILY HISTORY

Are you hooked on researching your family? Have you made any interesting discoveries? Why not write in and tell us about your success? We'd love to hear your stories.

LEICESTERSHIRE WALKS GO WORLDWIDE!

Spring has finally arrived and the countryside is waking up from its hibernation, so it's time to shake off those winter blues, get out and make the most of the longer daylight hours.

The new Leicestershire County Council website has been developed to allow easier access to more recreational routes in the County.

Information on walking, cycling and horse riding in Leicestershire has been made more available than ever before.

From the comfort of your own home you can now download 35 Parish Walks leaflets and the Leicestershire section of the Midshires Way. The Parish Walks are a popular series for a short afternoon stroll or a daylong walk. The routes are all circular and range in distance from 1 - 9 miles.

Sue Eaton from Blaby, who has recently discovered the Parish Walks leaflets said "We are avid walkers and they are perfect for us. We will do them all in due course as we love to get out and about and sometimes do not know where to go. These guides give us ideas and inspiration".

Ernie White, the County Council's Cabinet Lead Member for Community Services, said: "Accessing the countryside is important to people and we are committed to improving the rights of way network which in Leicestershire extends to 3,000 kilometres. These leaflets provide an excellent introduction for people to take a healthy walk into their local countryside. I recommend them and hope they give people inspiration to get out and about."

The site: www.leics.gov.uk/paths, is being continually improved, with more detailed information becoming available which means that people can be spontaneous, go on-line, browse the different routes, print off, and go!

Make the most of the countryside, www.leics.gov.uk/paths, or email footpaths@leics.gov.uk for more information.
